Please read! Important guidelines for talent acts are as follows:

- 1) Talent time limit: Because of the number of acts, a 2 ½ minute maximum is necessary to allow time for all performers. If your act is over the time limit, you will be asked to shorten it during rehearsal. However, there is no guarantee that we will have time for a second rehearsal during which to approve your act. So, PLEASE come prepared with an act that conforms to the time restriction!
- 2) All participants must attend a mandatory rehearsal prior to the show (you will receive a note regarding rehearsal times). If you don't come to rehearsal, you won't be able to perform in the show. NEW: All skits must bring PRINTED dialogue to rehearsal for review
- 3) Content is subject to review by the Talent Show Committee. The committee may also recommend changes to acts if deemed necessary. *Parents, it is very important to review your child's talent act before their scheduled rehearsal date.*
- 4) Performers can be children of Sunset Elementary School only (adults, if you need to play an instrument to accompany your child during their performance, please let us know).
- 5) Acts that require recorded music for accompaniment, such as dances, must be delivered in **MP3** format prior to your child's rehearsal date. MP3's can be emailed to wilbyvalerie@hotmail.com or you can deliver to the office a thumb drive in an envelope marked "Talent Show." The return of any drive is not guaranteed. If singing with recorded music, find a karaoke version.
- 6) Please contact Tori Bieber torilynn84106@yahoo.com if you are interested in a group skit project (great way to participate if you're not sure what you'd like to do – main focus is on acting and not necessarily speaking lines)

Please note: Participants will be contacted to confirm rehearsal time (after school), and also to confirm any staging needs/AV requirements. If you have any questions about the talent show, please email the committee at wilbyvalerie@hotmail.com
